### ekAdashi dates for chaitra mAsa of manmatha nAma samvatsara

March 2015		30 (Mon)	
April	14 (Tue)		

## Chaturmasa details for jaya nAma samvatsara

Chaturmasa is for four months starting from Ashada Shukla Ekadashi to Karthika Shukla Dwadashi.

During these four months the people of all the four varnas and both men and women to give up the following.

1. The first month is "**Shaka**" : vegetables and fruits prepared out of these should be given up. **(July 08 through August 06)**  
shaka signifies ten items: leaf,root,shoot,tip,fruit,stem,sprout,stalk,flower and skin. All these items are prohibited. Four items are exempted, namely, agastya, tulasi,gooseberry and mango
2. The second month is "**Dhadhi**" : curds and all dishes prepared out of this should be given up. **(August 07 through September 04)**
3. The third month is "**Ksheera**" : milk and all dishes prepared out of this should be given up. **(September 05 through October 03)**
4. The fourth month is "**Dwidala & Bahubeeja**" : dicotyledons and many seeded fruits, vegetables,and grains and all dishes prepared out of these should be given up. **(October 04 through November 02)**

Black gram,green gram, bengal gram, masoor, horse gram, red gram tamarind are prohibited including green that has several seeds.

Chaturmasa vrata is not just about giving up above mentioned foods. There are other important vidhi-nisheda associated with it and they are mentioned in the varaha, skanda and adithya purANa.
